## WELCOME TO THE GRAND LAKE BUSINESS DISTRICT

Our vibrant mix of local retailers and service providers prompts shoppers to stroll its tree-lined street; linger at the bookstore or rush to their martial arts lesson. Visitors discover that special home good or delight in the artistry of a local chocolatier; or they breath deeply through a chiropractic appointment or find wellness through its local herb shops. Shoppers have even been heard singing an old torch song at the piano bar or sighted doing the Salsa at the ballroom dance school. Or perhaps you prefer eating salsa, or Thai, or sushi or Cuban. If so, the Grand Avenue District offers something for everyone's palate from fine, upscale dining to the basic breakfast as it is quickly becoming Oakland's new hotspot for romance. Whether you come to take in a movie at the glorious Grand Lake Theater or meet at the local Farmer's Market for a weekly dose of veggies, music and fun, there is so much to discover by taking the Grand Stroll.

The Grand Avenue Business Association invites you to:

Think Grand  
for all your product and service needs.

Shop Grand  
because keeping the dollar in Oakland  
builds and sustains our community.

Be Grand  
because it is a wonderful state of being.
